EAGLE 10

Eagle: the BRIG premium series of fast-paced touring boats. They stand out as clear leaders in their class, combining contemporary styling with comfort and performance. BRIG Eagles are equally at home as high-performance craft, or as the perfect platform for lazy family days on the water.

The Eagle 10 is the new flagship RIB from BRIG. It is the ultimate solution for versatility. The Eagle 10 offers perfect stability on day cruises with family and friends, whilst providing the highest level of reliable seaworthiness for more ambitious, long-haul adventures. Add twin engines and the Eagle 10 becomes a high-performance sports boat, delivering exhilarating 50-knot rides.

INTRODUCING

EAGLE 10

Powered by twin engines up to 700 HP, the Eagle 10 is a true 50 knot plus luxury family cruising boat. With a deep 'V' hull design capable of sustained high-speed cruising, it combines fearsome wave tackling capabilities with superb handling, stability and control.

“ABSOLUTELY LOVE THIS BOAT! A GREAT SOCIAL PLATFORM FOR A LARGE FAMILY, GROUP OF FRIENDS, OR IF YOU WANT TO IMPRESS YOUR BUSINESS PARTNERS. LOVE IT! JUST LOVE IT! GREAT WORK GUYS!”

EAGLE 10 NORWEGIAN TEST PILOT TEAM

At 10.3 metres long and 3.4 metres wide, the Eagle 10 provides seating for up to 12 people. It offers unparalleled, indulgent space for cruising in comfort and socialising whilst at rest. This includes luxurious fore and aft zones for dining and sun lounging, and a cabin with double bed to complete the experience of rest and relaxation.

As with all the Eagle series, the Eagle 10 is designed with a reinforced deep 'V' hull, along with extended waterline length, extra-wide tubes and a square bow. All of which ensure a dry and stable ride, even in heavy seas.
