## THE GAME CHANGER

Every Technohull is born from a powerful insight. The idea of a high performing spacious day boat in the medium small category has been utterly insightful and GT7 lives up to this, creating a whole new genre of day boats in her class. One of a kind and unique in her dimensions, small yet super spacious, and at the same time a genuine Technohull in performance, and aesthetics, the GT7 is certainly a game changer in the medium small category, proving that anything is possible out of a powerful insight.

## DESIGN

Clean and angular lines, sporty and dynamic edges, along with a sophisticated manipulation of space that can only be compared to bigger boats sum up GT7's design concept.

Boasting an athletic and powerful look, typical to Technohull, and more space for what a cruising day demands, she makes both a perfect tender and a high performing and efficient day boat.

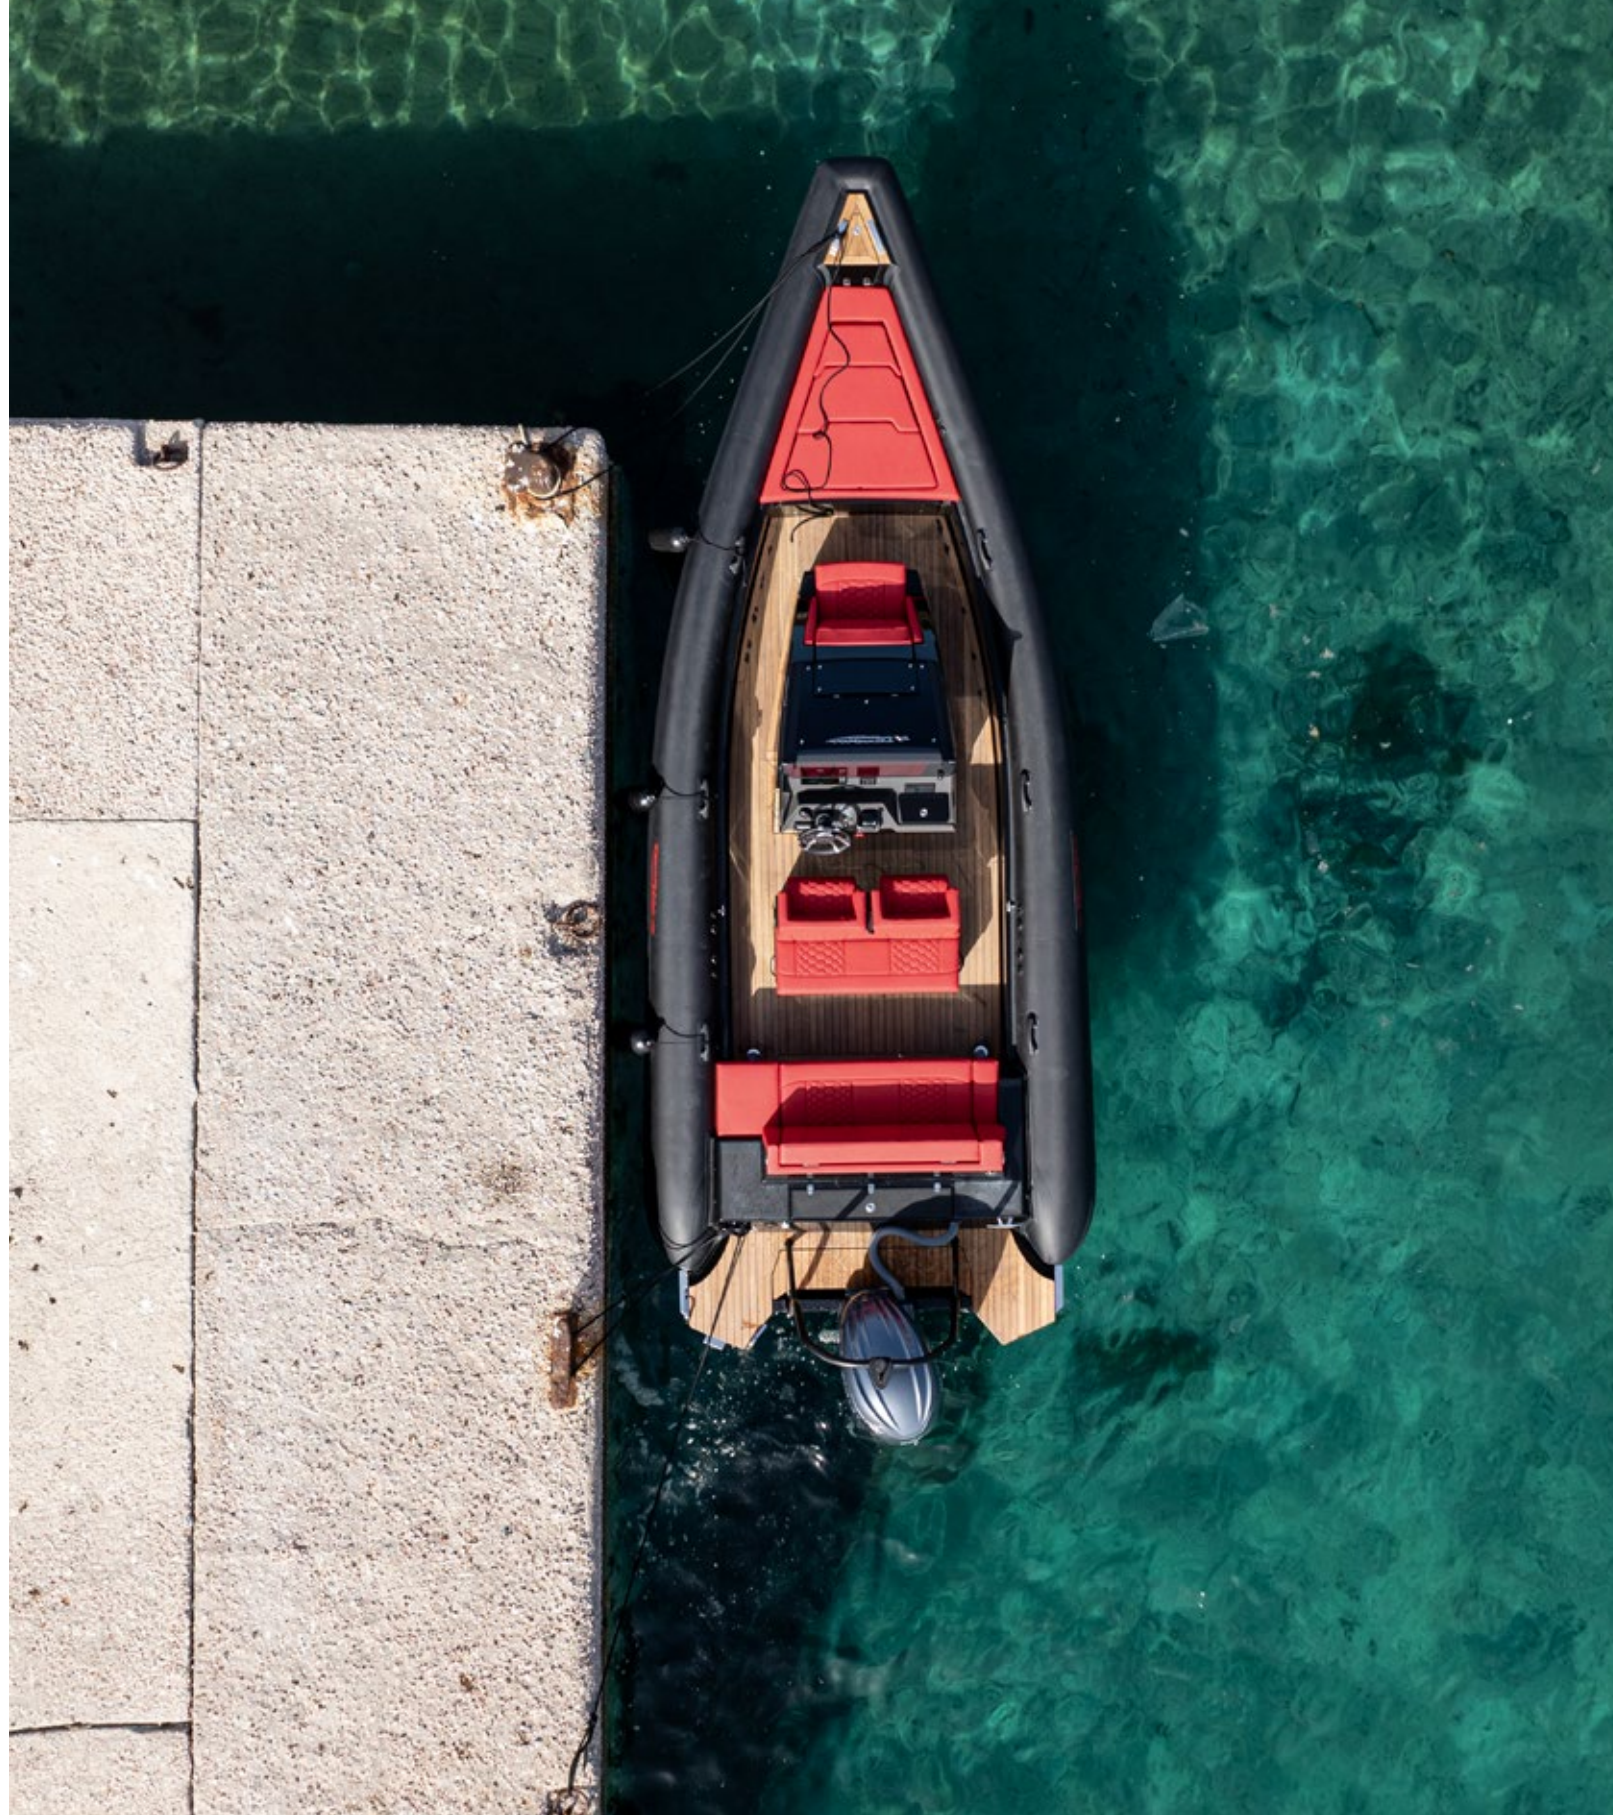

## HIGHLIGHTS

**SPORTY CENTER CONSOLE** equipped with ergonomic seats and advanced touch screen digital systems.

**A FINELY DESIGNED EXTENSION** transforms the bow sunbed to a far larger one for the ultimate lounging experience.

## HIGHLIGHTS

**THE WIDE AND SPACIOUS DECK** that can only be compared to far bigger boats features clever seating arrangements and comfortable lounging areas.

## PERFORMANCE

High speeds, maximum efficiency, excellent sea keeping, unbeatable comfort are exactly what one would expect from every Technohull. And the GT7 is no exception.

Designed with Technohull's Dynastream patented hull design technology, the GT7 boasts a balanced hull which allows the vessel to outperform in all aspects of performance, offering economy, quality and high speed cruising.

## THE HULL

A boat of a rather reduced length to beam ratio, that aims at being extremely seaworthy, becomes a reality thanks to a sophisticated hull design which is based on state-of-the-art naval architecture practices.

## COMFORT AT THE HELM

Comfort along with functionality lie at the heart of GT7, ensuring a pleasurable cruising experience. GT7's competent hull matched with a well-designed and fully equipped cockpit make her an absolute pleasure to drive. Ergonomics with attention to every detail, comfortable seats, premium navigation accessories and a state-of-the-art digital management system, introduce new levels of comfort in her class.

## COMFORT ON BOARD

GT7 features a spacious deck with ample storage space and finely designed social areas that offer great comfort and pleasure to the guest. Top quality upholstery, teak decking, atmospheric led lighting and inox deck fittings enhance the overall sense of comfort, ensuring a pleasurable experience on board.

## COMFORT ON BOARD

Being a true day boat, GT7 provides two spacious social areas. At the bow a delta sun bed and a comfortable console seat that can be easily transformed to a large sunbed offer a unique lounging spot, while in the aft a clever configuration with a spacious aft seating arrangement and a back-to-back couch, allows for comfortable guest seating at all times.

TECHNICAL SPECIFICATIONS

LOA	7.8 m
BEAM	3.13 m
LIGHT SHIP WEIGHT (excl. engines)	Approx. 2,080 kg
FUEL CAPACITY	400 L
WATER CAPACITY	50 L
ENGINE OPTIONS	Outboard
MAX POWER	Up to 350hp (single or twin configuration)
NUMBER OF PASSENGERS	8
HULL DESIGN	Dynastream Deep V with ventilated steps
CLASS CERTIFICATION	B-Offshore

PROPULSION OPTIONS

- OUTBOARD / GASOLINE**
- 2 x Mercury 175 V6
  - 1 x Mercury 225 V6
  - 1 x Mercury 250 V8
  - 1 x Mercury 300 V8
  - 2 x Yamaha 150 V6
  - 1 x Yamaha 300 V6

# STANDARD EQUIPMENT

## HULL

- Dynastream High performance / High efficiency hull design
- Wave piercing bow design
- Super Deep V with two ventilated steps
- Vinyl ester for osmosis protection
- Vacuum Infusion production process
- Standard Colors: Black or White

## DECK

- Bow sunbed
- Fore Console seat
- Bow sunbed extension
- Large bow storage locker
- Dry storage space under the console area, accessible via a gas strut supported door
- Aft I-shaped forward-facing seating
- Premium upholstery with high-quality marine fabrics and unique model stitching patterns
- Integrated transom swim ladder with three steps
- Carbon flagpole with anchor light (offered only for vessels without ski pole)

## HELM POSITION

- 2 x helm bucket seats
- Premium quality steering wheel
- Twin step footrest

## CONSOLE AND NAVIGATION EQUIPMENT

- Toughened plexiglass protective windshield
- Engines’ digital monitor: Mercury Vessel View 9” or Yamaha monitor 5”
- Bilge pump controls with visual pump running warnings
- Remote battery master switches
- Two Wireless phone chargers
- USB connection points

## FUEL SYSTEM

- 400L stainless steel fuel tank
- Fuel gauge on digital management system
- Fuel filler on port side deck
- Water separators / Fuel filters with water warning sensors connected to the engines’ digital monitor

## WATER SYSTEM

- 50L fresh water tank
- Fresh water pressure system
- Main circuit breaker at switch panel
- Water level gauge on digital management system
- Deck filler at stern
- Deck freshwater shower
- Deck wash pump

## ELECTRICAL SYSTEM

- 1 x heavy duty battery per engine, for engine starting
- 1 x Service Marine Battery 90Ah charged from battery charger / engine alternators
- Battery link facility with remote control at helm position
- Auto-charging system for all batteries banks from any charging source (alternator, shore)
- Centralized digital power management system
- Console operated battery master switches
- Circuit breakers on all circuits
- 12V voltage dropper for certain navigation and radio circuits
- Waterproof USB Socket
- Electric air pump
- Automatic bilge pump

## LIGHTS

- Navigation lights
- 6 ambience deck led lights

## MOORING AND DOCKING

- Stainless steel retractable cleats
- Mooring package (4 fenders with 8mm hanging ropes and 2 x 7 m 12mm mooring ropes with splice)

OPTIONAL EQUIPMENT

DECK AND COCKPIT

- Hardtop
- 2 x helm seats with back-to-back aft facing seating and 35L integrated electric fridge (instead of 2 x Helm Carbon Bucket seats)
- Sun tent with folding stainless-steel frame (offered only for vessels without hardtop)
- Sun tent with carbon poles and three side protection tents (offered only for vessels with hardtop)
- Removable teak table with carbon pedestal
- Premium teak decking 10mm

CONSOLE AND NAVIGATION EQUIPMENT

- GPS Raymarine Axiom Pro 9”
- 2nd GPS Raymarine Axiom Pro 9”
- Automatic Identification System (AIS) T&R CLASS B T&R
- VHF Raymarine Ray 53

ELECTRIC EQUIPMENT

- Electric portable Fridge / Freezer 15L 12V
- Shore power point with cable & Victron charger
- Electric Windlass with remote and chain counter

AUDIO PACKAGE

- Fusion Apollo M6 series, 4 Speakers JL 6,5”

LIGHTS

- Underwater Lights with the option to switch between white and blue

EQUIPMENT AND ACCESSORIES

- Ski Pole with night light and flag holders
- Parking cover
- Console cover
- Sun deck and seats covers
- Bow towing eyes
- Towing set of ropes
- WATCHIT collision avoidance system

TREATMENTS

- Hempel hard racing antifouling paint (white or black color)
