

ADVANCED STEPPED HULL
designed by *Adam Younger*

Northstar's ORION series RIBs offers a lot of industry leading features and come equipped with a long list of standard equipment. All of the ORION series have stepped hulls designed by Adam Younger, providing an ideal combination of efficiency and seakeeping. ORION 7 and ORION 8 have a console with a chemical head inside. Carrying on with the minimalist Northstar design philosophy, ORION is the new benchmark in mid-range cruising RIBs.

FAST CRUISING RIBs

ORION 6

Length	6.10 m / 20'1"	Tube Diameter	0.50 m / 1'8"
Beam	2.51 m / 8'3"	Tube Pressure	0.18 bar / 2.65 psi
Weight	1235 kg / 2722 lbs	Air Chambers	5
Fuel Capacity	160 lt / 42 US gal	Max HP	150
Max Capacity	10 pax	Shaft Length	XL
Max Payload	850 kg / 1873 lbs	Design Category	B

ORION 7

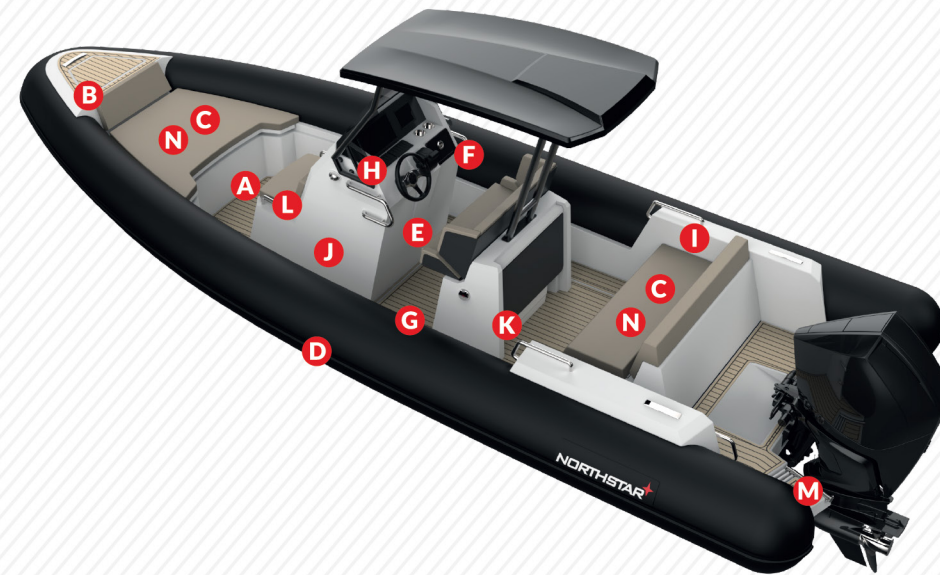

Length	6.98 m / 22'9"	Tube Diameter	0.56 m / 1'10"
Beam	2.84 m / 9'3"	Tube Pressure	0.18 bar / 2.65 psi
Weight	1653 kg / 3644 lbs	Air Chambers	5
Fuel Capacity	240 lt / 63 US gal	Max HP	250
Max Capacity	12 pax	Shaft Length	XL
Max Payload	1332 kg / 2936 lbs	Design Category	B

ORION 8

Length	8.04 m / 26'3"	Tube Diameter	0.56 m / 1'10"
Beam	2.84 m / 9'3"	Tube Pressure	0.18 bar / 2.65 psi
Weight	1833 kg / 4041 lbs	Air Chambers	7
Fuel Tank	360 lt / 95 US gal	Max HP	350
Max Capacity	14 pax	Shaft Length	XL
Max Payload	1502 kg / 3311 lbs	Design Category	B

minimalist design with maximalist features

- A** Vacuum infused cored vinylester hull and deck (O7 / O8)

D Heavy duty CSM (hypalon) tubes

G Fuel system
 - Fuel tank
 - Fuel - water separator

J Chemical head inside console (O7 / O8)
- B** Anchor locker

E Hydraulic steering wheel

H Electrical system
 - Switch panel
 - LED navigation lights
 - All-round light
 - Automatic bilge pump

K Table and Igloo® marine cooler

M Swimming platforms with ladder
- C** Large storage areas

F Acrylic glove box with USB charging socket

I Stainless steel equipment
 - Grab handles
 - Pop up cleats (3 pcs)
 - U-bolts (3 pcs)

L Seat in front of console

N Marine upholstery
