

OMEGA 47

WWW.TECHNOHULL.COM

LUXURY IN FULL POWER

Every Technohull is born from a brave idea, that challenges the perception of how a boat should look, feel like, perform and outperform. The Omega 47 is no exception. We challenged ourselves to design a luxury boat, where space and comfort blend uniquely with the sophistication and dynamism of our distinctive design roots and high-performance pedigree. And we did.

AND IT IS THIS BLEND OF LUXURY AND
POWER THAT MAKES THE OMEGA 47,
UNIQUE. BY DEFINITION.

DESIGN

Staying true to Technohull's unmistakable design lines, the Omega 47 showcases refined streamlined design elements with perfectly balanced proportions, leading the way to a new era in the category, where comfort and space blend uniquely with the sophistication and dynamism of a sleek design.

HIGHLIGHTS

A NEW TOTALLY REDESIGNED carbon fiber hardtop further refines the already exceptional cruising experience of the Omega 47, creating an ideal environment for both the driver and guests, while complementing flawlessly the model's distinctive silhouette

THE TWO SOCIAL AREAS, at bow and stern, tender ample space to lounge in style, while at anchor.

HIGHLIGHTS

A STYLISH CABIN INTERIOR caters for onboard relaxation and overnight sleep, ensuring that you get the most out from a day and night at sea.

THE DEEP BULWARKS create a sense of absolute safety while cruising at high speeds or just walking around the deck.

PERFORMANCE

Technohull's Dynastream patented hull design enables Omega 47 to navigate in absolute balance, smoothly and dry, minimizing the gap between absolute comfort and leading performance. At a blink of an eye, she can reveal her high performance pedigree and effortlessly reach and maintain impressive cruising speeds.

THE HULL

Offering a super soft and dry ride, and featuring a low planning speed, the deep V Omega 47 hull is capable for impressive speeds, absolute comfort and control and is certainly a hull worth riding to experience its supreme performance.

COMFORT AT THE HELM

Cruising on Omega 47 should always be a unique and captivating experience. The pilot helm seat and steering console, matched with a carbon aerodynamic hardtop are designed to trigger a sense of absolute control and confidence. The helm station features premium

shock absorbing seats, finely upholstered with top quality marine fabrics, while the state-of-the-art digital switching and power management software monitors and controls every vessel function, letting you focus on what matters the most: the joy of cruising.

LOUNGING ON BOARD

Designed to offer a five star experience on board, the Omega 47 features ample lounging areas and yacht quality amenities such as premium teak decking, all around gunwale, a well-equipped wet bar, atmospheric led lighting and a high quality sound system.

LOUNGING ON BOARD

At bow, a comfortable spacious sunbed with a seating space make the perfect lounging spot, while in the aft area, an ample U-shaped forward-facing seating matched with a table offer an ideal social area for all times of the day.

THE CABIN

Omega 47 comes with a finely designed interior with ample natural light, that offers yacht quality accommodation for two. The cabin features an oversized double bed with high-quality mattress, a comfortable couch, and a full-size headroom with shower, while a wardrobe, a wood storage cabinet and ample storage space under the bed cater for all storage needs. Decorated with yacht quality materials and finishes, the interior radiates a sense of sophistication and luxury. Quality leather, exotic veneers, premium fabrics and corian are among the fine materials used. Furthermore, led lighting with different lighting options, enhances the overall cabin atmosphere, offering an ideal environment for relaxation.

TECHNICAL SPECIFICATIONS

LOA	13,8 m (14.05 Inboard)
BEAM	3.6 m
LIGHT SHIP WEIGHT (excl. engines)	Approx. 6,500 kg
FUEL CAPACITY	1200 L
WATER CAPACITY	180 L
BERTHS	2
ENGINE OPTIONS	Outboard / Inboard
MAX POWER	4x500 hp
NUMBER OF PASSENGERS	12
HULL DESIGN	Dynastream Deep V with ventilated steps
CLASS CERTIFICATION	B-Offshore

PROPULSION OPTIONS

OUTBOARD / GASOLINE

- 2 x Mercury 600 V12
with Joystick & Autopilot
- 4 x Mercury 500R V8
(optional Joystick & Autopilot)
- 3 x Mercury 500R V8
(optional Joystick & Autopilot)
- 4 x Mercury 400R V10
(optional Joystick & Autopilot)
- 3 x Mercury 400R V10
(optional Joystick & Autopilot)
- 4 x Mercury 400 V10
(optional Joystick & Autopilot)
- 3 x Mercury 400 V10
(optional Joystick & Autopilot)
- 3 x Yamaha XTO 450
with Joystick & Autopilot
- 2 x Yamaha XTO 450
with Joystick & Autopilot

INBOARD / DIESEL

- 2 x Volvo D6 440 A / DPI
with Joystick & Autopilot

STANDARD EQUIPMENT

HULL

- Dynastream High performance / High efficiency hull design
- Super Deep V with two ventilated steps
- Vinyl ester for osmosis protection
- Vacuum Infusion production process
- Standard Colors: Black or White

DECK

- Aft social area: offered with U-shaped forward-facing seating for the outboard version or a large sunbed with I-forward-facing seating for the inboard version
- Sunbed extension with carbon support pole (available for the U-shaped configuration only)
- Large transom storage locker under the stern seat, with stainless steel gas strut support
- Premium upholstery with high-quality marine fabrics and unique model stitching patterns
- Transom integrated swim ladder with four steps
- Carbon hardtop with full glass (curved, laminated, reinforced glass panels) windshield and wiper
- Sun tent with poles and three side protection tents
- Teak table with carbon pedestal
- Premium teak decking 10mm
- Comfortable console sunbed

CABIN

- Large size double bed
- Full size headroom with electric marine toilet and shower
- Premium upholstery with high-quality marine fabrics
- Atmospheric led lighting and reading lights
- Wardrobe and wood storage cabinet
- Ample storage space under the bed
- Espresso coffee maker
- USB connection points
- 220V plug

HELM POSITION

- 3 x helm bucket seats
- Helm back-to-back seat with 2 x 30L integrated drawer fridges
- Premium quality steering wheel
- Twin step footrest

CONSOLE AND NAVIGATION EQUIPMENT

- 2 x GPS Raymarine Axiom Pro 12" with map and sounder
- Digital switching including touchscreen digital management system
- Remote battery master switches
- Remote for anchor windlass
- VHF Raymarine Ray 53
- Engines' digital monitor: Mercury Vessel View 9" or Yamaha monitor 5" or Volvo monitor 10"
- Bilge pump controls with visual pump running warnings
- Wireless phone charger

AUDIO PACKAGE

- Fusion Apollo M6 series, 6 Speakers JL 6,5", Subwoofer, Twin digital amplifiers

FUEL SYSTEM

- 1200L stainless steel fuel tank
- Fuel gauge on digital management system
- Fuel filler on port side deck
- Water separators / Fuel filters with water warning sensors connected to the engines' digital monitor

STANDARD EQUIPMENT

WATER SYSTEM

- 180L fresh water tank
- Fresh water pressure system
- Main circuit breaker at switch panel
- Water level gauge on digital management system
- Deck filler at stern
- Deck freshwater shower
- Cabin freshwater shower
- Black water network
- Deck wash pump

ELECTRICAL SYSTEM

- 6 x Service batteries 115 Ah charged from battery charger / engine alternators
- Battery link facility with remote control at helm position
- Auto-charging system for all batteries banks from any charging source (alternator, shore, solar)
- Centralized digital power management system
- Circuit breakers on all circuits
- 12V voltage dropper for certain navigation and radio circuits
- 12V marine outlet aft locker
- Electric air pump
- Automatic bilge pump
- 100 W Solar Panel with Victron Bluetooth controller
- Shore power point with cable & Victron charger
- Inverter 220V / 1,500W
- Water boiler 12V

LIGHTS

- Navigation lights
- 10 ambience deck led lights
- 2 x Underwater Lights with the option to switch between white and blue

MOORING AND DOCKING

- Bow thruster 25kg / 1,5kW with isolating switch
- Bow windlass 1.3Kw with remote control & chain counter
- Stemhead roller with automatic anchor launch and retrieve
- Self-stowing stainless steel ULTRA anchor 8 kg with 50 m stainless 8mm steel chain
- Mooring package (6 fenders with 8mm hanging ropes and 2 x 7 m 12mm mooring ropes with splice)
- Large size retractable stainless steel cleats

OPTIONAL EQUIPMENT

DECK AND COCKPIT

OPTION A: Two rows of 3 x helm bucket seats with back-to-back aft facing seating and 2 x 30L integrated fridges

OPTION B: Two rows of 3 x helm bucket seats and wet bar with 2 x 30L integrated fridges

CONSOLE AND NAVIGATION EQUIPMENT

- 2nd GPS Raymarine Axiom Pro 12"
- Upgrade to GPS Raymarine Axiom Pro 16"
- Radar Raymarine Quantum Series
- Thermal Night Vision camera Raymarine M200 series 232
- Automatic Identification System (AIS) T&R CLASS B T&R

OPTIONAL EQUIPMENT

EQUIPMENT AND ACCESSORIES

- Electric portable Fridge / Freezer 65L 12V
- Stainless steel bow towing eyes
- Towing set of ropes
- Parking cover
- Console cover
- Sun deck and seats covers
- Hardtop side protection tents
- Air condition integrated into cabin (power bank support)
- WATCHIT collision avoidance system

TREATMENTS

- Hempel hard racing antifouling paint (white or black color)
- Deck in black color
